RAFFLES · CASH BAR · FUN FUN FUN!!!!

I started the day as a sleepy old Navy veteran being kept awake by the 'Andrew Sisters' at the airport. I ended the day believing I was a hero. Today, as a mere mortal again, I wish to thank everyone in Honor Flight Chicago for the fantastic, unforgettable day I experienced.
Anthony A. Repeta, Korean War veteran, age 82

I will never forget this...I am blessed. Thank you for allowing me to take that trip. Second best day of my life. I was in the infantry so I really liked the Marines Drill Team. I held that rifle and it brought me back...Thank you very kindly. And to see all of those people who came out at night to thank me for my service...I really cried. Thank you very kindly. I will take this to my grave.
Bill Gilkey, WWII veteran, age 91

That was the first time I have ever been recognized for my service, you know. I was quiet about it and kept it to myself (his service). It did my heart a lot of good to go through that procession at Midway. I paid special attention to the children. And then at the end of a very long procession, my family was all there waiting for me... Amazing. (got choked up then)
John A. Quick, WWII veteran, age 94

You guys ought to run the US Government the way you put together the whole thing. I have never seen something with that much finesse... And the Welcome Home knocked my socks off. The Honor Guard, the Navy Wave from Naval Station Great Lakes...I have never had such happiness and joy. I am an open heart and cancer survivor and I am 87 years old. Now I feel like I want to live to 187!
John Thorpe, WWII and Korean War veteran, age 87

$0.96 of every dollar raised by Honor Flight Chicago goes directly to the cost of flying our WWII and Korean War veterans to Washington D.C. for their day of honor. We are hoping to raise enough money at the Bourbon Street Fundraiser to sponsor an entire plane full of WWII and Korean War veterans!
